(iii) all applicants who are permanent employees of the Board but not covered by sub-para (ii) above if they require the advance for the purchase of a ready built house or repayment of earlier loan (s) taken for construction/purchasing a house.

(b)(2) In addition to the compliance with the provisions in sub-para (a) and (b)(1) above, the applicant for constructing or purchase of a ready-built flat should furnish adequate collateral security as laid down under Rule 274 of the compilation of the General Financial Rules (Revised and Enlarged), 1963, wherever the land on which the flats stand is not mortgaged by the owner of land in favour of the Board as a security towards repayment of the advance.

*Note.*—(i) The liability of the surety will continue till the house built/purchased is mortgaged to the Board or till the advance together with the interest due thereon is repaid to the Board, whichever happens earlier.

(ii) Utilisation of the advance for a purpose other than that for which it is sanctioned shall render the employee liable to suitable disciplinary action under the Mormugao Port Employees' (Classification, Control and Appeal) Regulations, 1964 apart from his being called upon to refund to the Board forthwith the entire advance drawn by him together with interest in accordance with Regulation 8 below.

(iii) The period for producing the sale deed in respect of the developed plot of land referred to in sub-regulation (a)(1)(i) and (a)(3)(i) may be extended by the Head of the Department by a reasonable time after satisfying himself that the applicant has either already paid the cost of the land or is likely to pay it immediately; that the extension of time will enable him to acquire the title/lease hold rights to the land and that he has every intention of building a house and will be in a position to complete the construction of the house by the 18th month after the date of the drawal of the first instalment of the advance or in such period by which the time for the completion of the house is extended under Regulation 9(a)(ii).

8. Interest. — An advance granted under these Regulations shall carry simple interest from the date of advance, the amount of interest being calculated on the balances outstanding on the last day of each month. The rate of interest shall be the lower of the rate at which the Government of India is making similar advances to its employees for house building or the rate at which the Government lends money to the Port Trust.

9. Construction, maintenance, etc. — (a) The construction of the house or additions to living accommodation in an existing house, (as the case may be) shall be: —

(i) carried out exactly in accordance with the approved plan and specifications on the basis of which the amount of the advance has been computed and sanctioned. The plan and specifications should not be departed from without the prior written concurrence of the Chairman. The employees shall certify, when applying for instalments of advance admissible at the plinth/roof level, that construction is being carried out strictly in accordance with the plan and estimates furnished by him to the Board, that the construction has actually reached plinth/roof level and that the amount already drawn has actually been used on the construction of the house. The Chairman may, if necessary, arrange to have inspection carried out to verify the correctness of the certificates;

(ii) completed within 18 months of the date on which the first instalment of the advance is paid to the employee concerned. Failure to do so will render the employee liable to refund the entire amount advanced to him together with interest thereon calculated as in Regulation 8 above, in one lumpsum. An extension of the time limit may be allowed upto one year by the Chairman and for longer period by the Board of Trustees, in those cases where the work is delayed due to circumstances beyond his/her control. The date of completion must be reported to the Chairman without delay.

(b) Immediately on completion or purchase of the house, as the case may be, the employee concerned shall insure the house at his own cost, with the Life Insurance Corporation of India for a sum not less than the amount of the advance and shall keep it so insured against damage by fire, flood and lightning, till the advance is fully repaid to the Board and deposit the policy with the Board. The premia must be paid regularly and the premium receipts produced for inspection by the Head of the Department. In the event of failure on the part of the employee to effect insurance against fire, flood and lightning, it shall be lawful, but not obligatory for the Board to insure the said house, at the cost of the employee concerned and add the amount of the premium to the outstanding amount of the advance and the employee shall be liable to pay interest thereon, as if the amount of the premium has been advanced to him, as part of the aforesaid advance at the prevailing rate of interest till the amount is repaid to the Board. The Head of the Department will obtain from the employee drawing the advance a letter as prescribed in (Form No. 8) to the insurer with whom the house is insured, to notify to the latter the fact that the Board is interested in the insurance policy secured. The Head of Department will himself forward the letter to the insurer and obtain his acknowledgement. In the case of insurances effected on an annual basis, this process should be repeated every year until the advance has been fully repaid to the Board.

(c) The house must be maintained in good repair by the employee concerned at his own cost. He shall also keep it free from all encumbrances, and shall continue to pay all the municipal and other local rates and taxes regularly until the advances has been repaid to the Board in full. The employee shall furnish an annual certificate to this effect to the Head of the Department.

(d) After the completion of the construction of the house, annual inspections may be carried out by any authorised officer under instructions from the Chairman to ensure that it is maintained in good repair until the advance has been repaid in full. The employee concerned shall afford necessary facility for these inspections by the officer/s designated for the purpose.

*Note.* — Furnishing of false certificate will render the employee concerned liable to suitable disciplinary action apart from his being called upon to refund to the Board forthwith the entire advance drawn by him together with interest accruing thereon in accordance with Regulation 8 above.

10. Repayment of the Advance. — (a) The advance, granted to an employee under these Regulations, together with the interest thereon, shall be repaid in full by monthly instalments

within a period not exceeding 20 years. First, the recovery of the advance shall be made in not more than 180 monthly instalments and then interest shall be recovered in not more than 60 monthly instalments.

*Note.* — (i) The amount to be recovered monthly shall be fixed in whole rupees, except in the case of the last instalment when the remaining balance, including any fraction of a rupee shall be recovered.

(ii) Recovery of advances granted for constructing a new house or enlarging living accommodation in an existing house shall commence from the pay of the month following the completion of the house or the pay of the 18th month after the date on which the first instalment of the advance is paid to the employee, whichever is earlier. In the case of an advance taken for purchasing a ready built house or repaying earlier loans taken for constructing a house, recovery shall commence from the pay of the month following that in which the advance is drawn.

(iii) It will be open to employees to repay the amount in a shorter period, if they so desire. In any case, the entire advance must be repaid in full with interest thereon, before the date on which they are due to retire from service.

(iv) In order to avoid undue hardships to an employee who is due to retire within 20 years of the date of application for the grant of an advance and under the service Regulations applicable to him, is eligible for the grant of a gratuity or death-cum-retirement gratuity, the Chairman may permit him to repay the advance with interest in convenient monthly instalments (the amount of the instalment shall not be less than that worked out on the basis of repayment within a period of 20 years) during the remaining period of his service provided he agrees to the incorporation of a suitable clause in the prescribed Agreement and Mortgage Deed form to the effect that the Board shall be entitled to recover the balance of the said advance with interest remaining unpaid at the time of his retirement or death preceding retirement from the whole or any specified part of the gratuity that may be sanctioned to him.

(v) In case the employee does not repay the balance of the advance due to the Board on or before the date of his retirement, it shall be open to the Board to enforce the security of the mortgage at any time thereafter, and recover the balance of the advance due together with interest and cost of recovery, by sale of the house or in such other manner as may be permissible under the law.

(b) Recovery of advance shall be effected through the monthly pay/leave salary/subsistence allowance bills of the employees concerned by the Head of the office or the Financial Adviser & Chief Accounts Officer concerned, as the case may be. The recoveries will not be held up or postponed except with the prior concurrence of the Chairman/Board. In the event of subsistence allowance payable being reduced on prolonged suspension of the employee the recoveries may be suitably reduced by the Chairman, if considered necessary.

(c) If an employee ceases to be in service for any reason other than normal retirement/superannuation, or if he/she dies, before repayment of the advance in full, the entire outstanding amount of the advance shall become payable to the Board forthwith. The Chairman, may, however, in deserving cases permit the employee concerned, or his/her successors-in-interest as the case may be, or the sureties in cases covered by Regulations 7 (b), if the house has not been completed and/or mortgaged to the Board by that time, to repay the outstanding amount together with interest thereon calculated as in Regulation 8 above, in suitable instalments. Failure on the part of the employee concerned or his/her successors (as the case may be) to repay the advance for any reason whatsoever, will entitle the Board to enforce the mortgage and take such other action to effect recovery of the outstanding amount as may be permissible.

(d) The property mortgaged to the Board shall be reconveyed to the employee concerned (or his successors-in-interest as the case may be), in the prescribed form (Form No. 7) after the advance, together with the interest thereon, has been repaid to the Board in full.

11. Procedure for dealing with applications. — (a) Applications addressed to the Board/Chairman should be submitted by the employees through the Head of their Department in the prescribed form (in duplicate). The following documents should accompany the application: —

(i) A declaration in regard to house property, if any, owned by the applicant or the applicant's wife/husband/minor children at the time of applying.

(ii) If the advance is required for enlarging living accommodation in an existing house or for repaying earlier

loans taken for constructing a house, an attested copy of the sale deed as well as of other documents, if any, establishing that the applicant possesses an indisputable title to the property in question and that the property in question is free from encumbrances. The site plan should also be furnished where advance is required for repayments of earlier loan (s); authentic evidence indicating the outstanding amount (s) of the loan (s) in question should also be furnished.

(iii) In cases where applicants happen to be in possession of land and desire to build a new house on it, a copy of the sale deed or other proof of the applicants having a clear title to the land on which the house is proposed to be built, alongwith the site plan. If the land happens to be lease hold, an attested copy of the lease deed should also be enclosed.

(iv) In cases where the applicant desires to purchase land, an attested copy of a letter from the seller of the plot to the effect that subject to the settlement and payment of the price, he is in a position to hand over the vacant possession of a clearly demarcated developed plot of land to the applicant within a period of two months, from the date of his letter, may be forwarded.

(b) The Heads of the Departments will scrutinise the applications and satisfy themselves of the correctness of the facts etc. stated therein. After this has been done, the Heads of Department will forward the application to the Financial Adviser and Chief Accounts Officer.

(c) The Financial Adviser and Chief Accounts Officer's office will examine the application with reference to eligibility and subject to funds being available, certifying the maximum amount of advance that could be granted to applicant concerned and forward the application to the Board/Chairman as the case may be for approval.

(d) (i) On receipt of the approval of the sanctioning authority the Head of the Department shall also arrange to complete the prescribed formalities such as execution of the Agreement, Mortgage Deed, Surety, Bond, etc. in the prescribed forms (in consultation with the appropriate legal authorities where necessary) and then forward the papers to Financial Adviser and Chief Accounts Officer for arranging payment out of the sanctioned advance to the applicant. Where land or a ready built house is intended to be purchased with the help of the advance, the Head of the Department may before forwarding the papers to Financial Adviser and Chief Accounts Officer, also require the employee concerned to certify that negotiations for the purchase have reached a final stage, that the purchase price is not likely to be less than the amount of the advance sanctioned and that he has satisfied himself that the transaction will enable him to acquire an indisputable title to the land/house in question. In such cases the sale deeds, etc. should be examined by the Head of the Department carefully (in consultation with the appropriate legal authorities where necessary) to ensure that the employee concerned has actually acquired an indisputable title to the property exclusive of title to plot of land in the case of flats in question. It should also be verified that the market value of land/house purchased is not less than the advance sanctioned.

(ii) The Heads of Department shall instruct applicants desirous of constructing a new house or enlarging living accommodation in an existing house to furnish two copies of the Plans, as well as the specifications and estimates in the prescribed proformae. as, execution of agreements, mortgage deed, Surety Bond, Undertakings, etc. in the prescribed form.

(ii) The payment of remaining two instalments of advance will be made after obtaining Chairman's sanction for the disbursement on the basis of certificate to be furnished by the applicants as prescribed in Regulation 9(a) and such inspection as may be deemed necessary. It should also be verified before disbursing the last instalment of the advance that the development of the site has been completed vide Regulation 7(a) above.

*Note*—Along with the proposal for the disbursement of an instalment of an advance, the Head of Department should forward a certificate to the effect that the required formalities in pursuance of which the instalment has become due have been completed.

The Head of the Department shall also ensure that the construction of the house is completed within the period prescribed in the Regulations and that:—

(iv) Monthly recovery of instalments of repayment of the advance commences from the due date and is made regularly from the pay/leave salary bill/ subsistence bill of the employee concerned thereafter.

(v) In the case of employees likely to retire within 18 months of the date of their application for the advance (See Regulation 7 (b) above), the amount of their provident fund and gratuity will be adequate to cover the balance of the advance outstanding against them just before the date of their retirement and that in such cases any applications for advance/withdrawal from his Provident Fund subsequent to the grant of house building advances under these Regulations and should not be ordinarily entertained.

In so far as properties situated in rural areas are concerned, applicants should furnish a certificate from the Revenue Officer concerned (not lower than the rank of Tehsildar).

(5) The amount of gratuity/death-cum-retirement gratuity due to the applicant on the date of his superannuation (at the time of retirement, calculated on the basis of the appointment held by the applicant at the time of submitting the application for a house building advance) is estimated to be Rs. ....

I am also satisfied that there will not be any legal disability in recovering the advance.
